EUROPEAN ADVENTURE 2011

Every two years, Cascade sponsors an educational trip to Europe for students and adults with Joshua Expeditions, a Christian tour company.

"We see educational travel as a platform to teach a cross-cultural sensitivity and to serve with compassion rooted in Christ. Our hope and prayer is that these trips inspire travelers to pursue their divine purpose and individual callings – to be a part of something bigger than themselves. Join us in igniting hearts to change the world." ~ Joshua Expeditions

Next June our trip will take us to five countries. Want to know more?

Informational meetings for parents and students interested in Cascade's

June, 2011 European Adventure will be held in Mrs. Scott's room on

Wednesday, May 26 at 3:30 pm and on Thursday, June 3 at 7:00 pm. Come pick up general tour information, the trip itinerary, cost, fundraising ideas, and more. Call Anne Scott with questions at (541) 772-0606. You won't want to miss this amazing trip!

CCHS Host Families Needed

CCHS is looking for qualified host families for international students for the coming school year. These are students who have been accepted by CCHS but their attendance is based upon the availability of a host family. There is an application that potential host families fill out and then the school matches the student with the host family that is the best fit. In all cases, the host family is given information about the student and the host family has the final say on whether they will accept the student.

CCHS would like the host family to commit to at least one semester in order to provide a stable environment for the student. International students pay a stipend that covers host family expenses.

If you are interested in hosting one of these students, please contact Bruce Booker at CCHS at 772-0606 or email bbooker@gracechristian.org.

Enrollment News

Full enrollment at CCHS ensures that we can continue to provide all the core classes, electives, and "extras" (art, band, vocal music, sports, technology, etc.) that we have offered over the years. Our families are the heart of Cascade Christian High School and **YOU** are our best advertising! **Please tell everyone in your circle of influence about the benefits of Christian education for your family!** Currently, space is available in most grade levels, so have your friends contact the school about enrollment information or to take a tour.

By the way....have you paid **YOUR** student's registration for next year? In order to secure a space for your child next year, your registration fee was due by May 3. A \$20.00 late fee will now be assessed. An accurate picture of projected enrollment is crucial to planning for the 2010-2011 school year in the areas of budgeting, staffing, and many other important details. Though paid registrations greatly increase our effectiveness in planning, knowing your intentions (returning or not) helps. Even if you cannot pay registration at this time, would you please contact the school and let us know what your plan for the 2010-2011 school year is? Please remember that we cannot hold space for students in the absence of their paid registration. We don't want you to miss out!

Share Your Story

You frequently bless us by sharing how Grace and Cascade are significant in your lives! Would you be willing to share those thoughts to be recorded for use on the radio or in print? No last names will be used. Come to the Grace Christian School Chapel on Wednesday, June 2 between 2:30 and 4:00pm. Bring your unpolished, unrehearsed, 10-30 second testimonial to share with the Rogue Valley. This is a from-the-heart event. We can particularly use some high school students, especially Seniors!
