Re-Enrollment for 2012/2013

The next school year seems so far away, but we have already started budgeting and planning. The MOST important part of our budgeting for next year is YOU! We are sending information about re-enrollment, along with a form on which you can indicate your plans for next year. Please send that form back to the school office right away to reserve your child's space for the 2012/2013 school year. **Your REGISTRATION FEE is not due until May 1. This payment secures your child's space for the 2012/2013 school year.**

Prefer to re-enroll online? Complete your Intent to Re-Enroll Form on ParentsWeb!

From the ParentsWeb main page, choose **Web Forms** from the School Information Menu, then select the **Current Family Re-Enrollment Form**. Complete all pertinent information, date the form, and click **SAVE** to submit the form electronically. That's it! No need to turn in the paper copy of your form.

The information you give us affects details that are important to you and your child, such as how many teachers we can hire, our class sizes and the specialties we can offer. Of course, **our hope is that every one of you will be returning all of your students to us.** However, it is equally important for us to know if you are NOT planning to send your child back, so PLEASE send those re-enrollment forms in as soon as possible.

Another thing you can do to help is **tell your Christian friends about Grace Christian Schools and invite them to attend one of our Open House events!**

You are the heart and soul of our school and the best representation of the benefits of CCHS. You may also call Terry Roehl, our Admissions Director at (541) 858-7257 and he can make sure that your friends get important information about Grace Christian Schools and our upcoming events.

A Note from Mr. Johnson

This month we ask you as parents to let us know your plans for your children and their education for the 2012-2013 school year. We are gathering information and projecting what it will cost us to operate our Christian schools this fall. We have worked hard to keep tuitions affordable. Our schools' main income source is from tuition and fees. Utilities, minimum wage, and insurance costs continue to rise. This year it has been our priority to assist parents during these economic times by awarding over \$500,000 in financial aid. We realize the sacrifices parents are making to give their children a Christian education, accompanied by the willingness of our staff to work for nearly 35% less than the government schools pay. Over thirty of our employees make minimum wage.

God continues to bless all our efforts as we see students score well on national tests, have great success in musical productions, and represent Christ well on the field, in the pool, and on the court. In these times, we are reminded that we are praying for and preparing our students to be the righteous leaders to the next generation.

I support you as you contemplate and pray for God's direction for what your child's future might be. The time is short and they will soon be an adult. The education, opportunities, and Christian training we give our students now will pay great dividends later.

This month we also begin our series of Open Houses and drop in events. Please take the opportunity to share with a Christian relative, neighbor, or friend about our schools. We appreciate your prayers and support, as well as your quick response with re-enrollment information.

Nicaragua Mission Team News

SPAGHETTI FEED FUNDRAISER THANK YOU!

To our Grace and Cascade students, parents, and staff: The Nica 2012 Spring Break Mission Trip team and the administration would like to thank you for your generous support at the Spaghetti Feed fundraiser on January 17th. The team was able to raise a profit of \$850! We would also like to thank Mrs. Spence and her culinary students for the very tasty meal that they prepared and to thank Mrs. Mann for her assistance in setting up our event. The evening was a night to remember with basketball game wins, delicious food, fellowship, the honoring of Grace middle school students, and half time entertainment by our future CCHS cheerleaders. If you missed out this year, be sure to watch for us next year. Our prayer is to make this an annual event! Please remember to keep the Nica mission team in your prayers as they prepare for their March 22-30, 2012, trip to Nicaragua.

The GCS Middle School presents

Fiddler on the Roof, Junior

Set in the little village of Anatevka in turn of the century Russia, *Fiddler on the Roof, Junior* is the classic tale of

Tevye the Dairyman, and his struggle to hold on to tradition in the face of a changing world. The musical

will be co-directed by Band Instructor Michael Reimer and Middle School Principal Linda Olson.

Mark your calendars now for performances on March 20 and 22, 2012.

Thank You, Mr. Miller!

With the end of first semester, comes the end of an era. Mr. Gary Miller, Grace Christian Schools' Director of Development, is retiring. We thank you, Mr. Miller, for all of your efforts in Gifts of Grace, Financial Aid, CCHS Flyfishing Class, Bear Creek Restoration Project, and much, much more! We deeply appreciate your investment in the lives of our students! God Bless You!

Pastor Appreciation NIGHT

In addition to recognizing our graduating Senior basketball players on Tuesday, February 7th, we will also honor the many pastors who influence our lives. All Cascade students and staff are encouraged to invite your Senior Pastor, Teaching Pastor, or Youth Pastor (or all!) to be your guest(s) at the Lakeview game. They will enjoy **FREE ADMISSION**, a complimentary HOLY JOE'S BEVERAGE, and recognition at halftime of the Boys' Varsity game. Printed invitations have been provided to all CCHS students, with additional copies available at the Student Office. **Who will YOU invite?**

"The elders who direct the affairs of the church well are worthy of double honor, especially those whose work is preaching and teaching." I Timothy 5:17 NIV

On Wednesday, February 8th, 72 of our Cascade students will have the opportunity to participate in the **Ford Driving Skills for Life** program. Sponsored by Ford Motor Company, the program features three different driving courses in Ford-provided vehicles. The courses emphasize vehicle handling, speed, and space management, distractions such as texting, and impaired driving using special eyeglasses to simulate driver impairment. Spaces in the program were offered to Seniors through

Freshmen in descending order and contingent upon parental permission.

The day begins with an all-student assembly from 8:30 am - 9:00 am, which parents are welcome to attend. Following the assembly, program participants will rotate through the driving courses, all of which will take place on our property. We are very privileged to be one of only two area schools able to participate in this program.
