Dear fellow classmates, teachers, and others who were in High School at Grace with the Class of 1981,

It's hard to believe it has been 30 years! I would like to cordially invite you and your family to the Class of '81 30 year reunion July 9 in Medford. We would love to have all of you that were at Grace with us at any time (both friends & teachers) to join us!

We will be having a barbeque/potluck for the whole family at the Glenview Orchard Estate (my in-laws' place) starting at 1:00pm. There is plenty of room to relax, share memories, and catch up on what everyone has been doing over the past three decades!

Hamburgers, hot dogs and soft drinks will all be provided, just bring other snacks, salads or a potluck dish if you can; we will probably fire up the barbeque around 3 p.m. The pool will be open for those that want to swim!

Let me know if you think you will be there and approximately how many in your party, so we can plan the food. (But we'll definitely accept last-minute party crashers, too!) We'll have a donation jar if you want to help with costs, but no obligation. We realize many of you will already be spending an arm and a leg on gas to get here!

To keep up on current information or ask questions regarding the reunion, if you're on Facebook, do a search on GCS 81 and our reunion page should pop up at the top of the search results; you can also contact me via email [d@squyres.ws](mailto:d@squyres.ws), or phone 541-535-2173.

I realize that this is a long trip for many of you, but really hope that you can make it; we are looking forward to seeing everyone. If you know the whereabouts of other students or teachers that may want to come to the reunion, please pass this information along to them (or to me so I can contact them), as well.

Hope to see you July 9!

David Squyres
